Commissioner for Patents P.O. Box 1450 Alexandria, Virginia 22313-1450

SIR:

Applicants herewith submit two Substitute Declarations, one signed by the inventor Peter Schardt, and the other signed by Jutta Rother as heir to the inventor Peter Rother (deceased). The reason for submitting these substitute Declarations is that it has come to the attention of the Applicants that the copy of the application that was attached to the Declarations filed June 19, 2004 was an earlier draft of the application, and was not a correct copy of the application as filed in the Patent and Trademark Office on March 19, 2004. Therefore, the statement on the Declarations filed June 19, 2004 that the application "is attached hereto" was not correct. The substitute Declarations submitted herewith refer to the Serial No. and filing date, and are being submitted so that correct and accurate Declarations are in the Patent and Trademark Office file.
